**Proposals Due: May 25, 2022 Time:
5:00 pm**

**Issued for:
The Town of North Topsail
Beach**

If you have received this bid/proposal from a source other than the Town of North Topsail Beach, it is the responsibility of the bidder to ensure that all addenda have been received and reviewed.

Any interpretations, clarifications, or changes will be made in the form of written addenda issued by the Town. Any oral communications will not be authoritative and will not be binding on the Town. Any addendums shall be posted on the Town's web site at www.ntbnc.org It remains the sole responsibility of the Consultant to contact the Town prior to submitting a proposal to ascertain if any addenda have been issued, to obtain all such addenda, and if appropriate, return all requested documentation with its proposal.

PURPOSE

It is the purpose of this solicitation to procure a pre-event contract with the most qualified firm to perform monitoring and oversight services of the Town's debris recovery/ collection contractor, in the event of a major disaster, debris-generating event. It is anticipated that the contract will be in effect for a five (5) year period. The Town of North Topsail Beach provides equal employment opportunities and prohibits discrimination and harassment of any type without regard to race, color, religion, age, sex, national origin, disability status, genetics, protected veteran status, sexual orientation, gender identity, or expression, or any other characteristic protected by federal, state or local laws. Certified disadvantaged businesses should include a copy of their applicable certification for such designation with their proposal.

Section 1 SCOPE OF SERVICES / TECHNICAL REQUIREMENTS

The Town requires these services to support the monitoring and management of the debris recovery efforts and associated contractor(s). The selected firm (“Consultant” or “Contractor”) should be capable of providing a large range of related services including, but not limited to, debris estimating, providing input for collection and reduction strategies, field monitoring, site monitoring, track capacity certifications, daily debris collection reporting, compliance with federal guidelines for assistance (FEMA, NRCS, etc.), Geographical Information System (GIS) mapping, and other services as needed and requested by the Town.

Other services may include, but are not limited to: pre-event planning, post event review, data compilation and management, reimbursement services, facilitating communication with the Federal Emergency Management Agency (FEMA), the Natural Resources Conservation Service (NRCS), the Federal Highway Administration (FHWA), and other state and federal agencies, and coordination with state insurance representatives.

A. Disaster Debris Management/Monitoring Services: The selected Consultant will be expected to provide disaster debris monitoring services related to debris generated from the public rights-of-way, private property, drainage systems and waterways, and other public, eligible, or designated areas. Monitoring shall be done in compliance with current applicable federal, state, and local guidelines to include FEMA, applicable SLTT and Federal regulations. Specific services to be included:

1. Monitor field debris collection activities to verify and document that debris removal contractors are in assigned areas and only collecting eligible debris, identifying, and correcting ineligible debris operations, and assist the Town in ensuring contractors are performing tasked operations within their scope of services.
2. Manage and operate Debris Management Sites (DMS). The Consultant will collect environmental baseline data, per local, state, and federal requirements, from the designated emergency debris management sites prior to opening of these sites and quantify and document all incoming debris loads.
3. Coordinating daily briefings, work progress, staffing, and other key items with the Town.
4. Scheduling work for all team members and contractors on a daily basis.
5. Providing the scheduling, dispatching, and logistical operations of the field monitors/inspectors assigned to all work areas of debris clean-up. Work areas of debris clean-up may include debris management sites, debris collection sites on public property, debris collection on private property, and residential disposal sites. This work will include:
 - i. Acquiring, hiring, training, deploying, and supervising properly equipped monitors/inspectors.
 - ii. Establishing the schedule for the monitors.

- iii. Prioritizing recovery workload daily.
 - iv. Responding to problems in the field, including residential or commercial property damage claims during the process of debris removal. Contractor(s) shall establish a web site and telephone claim reporting system with a local or toll-free number, and provide staff for the professional management of receiving telephone complaints or damage claims. The Contractor(s) shall investigate the complete documentation of claims.
6. Monitor recovery/debris contractor operations and making/implementing recommendations to improve efficiency and speed recovery.
 7. Accurately measure and certify the capacities of all debris contractor trucks that are added into service and recertify on a regular basis. Certify trucks, within FEMA-eligibility guidelines, prior to allowing trucks to operate.
 8. Ensure safety practices are in compliance with local, state, and federal guidelines and make reports if contractor personnel safety standards are not followed.
 9. Keep real time tracking records in electronic format of contract hauler's trucks, to include cubic yardage, time in and time out, number of loads per day, etc., using the Contractor's load tickets. The Contractor(s) will ensure their load tickets capture the minimum data according to FEMA 325, Public Assistance Debris Management Guide. The Contractor will properly and accurately complete and physically control load tickets. Entering load tickets into a database or spreadsheet application that is available to the Town.
 10. Ensure debris hauler's trucks are accurately credited for their loads.
 11. Ensure debris hauler's trucks are not artificially loaded.
 12. Validate and document hazardous trees for removal, including hangers, leaners, and stumps.
 13. Ensure that hazardous wastes are not mixes in debris loads.
 14. Ensure that all debris is removed from trucks at the DMS.
 15. Report if improper equipment is mobilized and used.
 16. Ensure that only debris eligible for federal reimbursement or as specified be collected by the Town is collected.
 17. Monitor private property debris removal.
 18. Monitor site development and restoration of all DMS used for the operation.

19. Report if debris removal work does not comply with all local ordinances, state or federal regulations.
20. Assist debris removal contractor in coordinating the logistics/permitting required for routing when major transportation routes are impassable.
21. Develop daily operational reports on work progress. As a minimum, the itemized reports should include:
 - i. Debris collected from curbside and/or collections centers.
 - ii. Debris accepted at the DMS and/or final disposition.
 - iii. Debris recycled/reduced at the DMS and taken to final disposition.
 - iv. Report if completion schedules are not on target.
 - v. Any other operational or safety issues.
22. Develop maps, GIS applications and work zones as necessary. Debris collection maps shall be developed and managed in GIS and accessible to the Town via web viewer.
23. Comprehensive review, reconciliation and validation of debris removal contractor(s) invoices prior to submission to the Town for processing.
24. Provide insurance evaluation, documentation adjusting, and settlement service.
25. Final report and appeal document preparation and assistance in any appeal process, including any FEMA audits that occur after reimbursement has been paid.
26. Employ or maintain on the work site(s) a qualified accessible project manager(s). At least one (1) accessible and designated project manager in the area of operation, and the liaison officer, shall have full authority to act on behalf of the Consultant and its subcontractors. Key personnel (project manager, supervisors, etc.) once assigned to the Town shall remain in the service of the Town until the project is complete as deemed by the Town.
27. In the event Consultant utilizes any subcontractors in performance of the contracted services, Consultant shall do all of the following:
 - i. Place qualified disadvantaged firms (as defined in the "Purpose" section of this RFP) on their solicitation lists;
 - ii. Assure that disadvantaged firms are solicited whenever they are potential sources;
 - iii. Divide total requirements, when economically feasible, into smaller tasks or quantities;
 - iv. Establish delivery schedules, where the requirement permits, which encourage participation by disadvantaged firms; and
 - v. Use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

B. Pre-event Planning and Training: The Consultant shall assist Town staff in conducting an annual preparation and coordination exercise, after action report for exercises, be a resource for completing corrective actions and refresher training to determine the adequacy of the debris removal plan and debris management process, typically conducted one month prior to the beginning of hurricane season. Specific training information shall include (but not be limited to):

1. Guidance to the Town staff on the logistics, schedule, and other duties that will be performed during the debris management process if a debris generating disaster occurs during the following year. The plan is to include pre-event contracts and mutual aid contracts / memorandums of understanding templates.
2. Review and recommended updates to the Town's Debris Management Plan, including any organizational changes within the Town and any changes to state or federal (FEMA, NRCS, FHWA, etc.) guidelines or regulations that may affect the Town's reimbursement potential.
3. Develop an updated debris management contact list including key personnel and contact information for individuals within local, state, and federal agencies. The contact list will also include the debris hauling contractor contact information.

C. Consultant's Qualifications:

1. The Consultant must be primarily engaged in providing the services as outlined in this Request for Proposal.
2. The Consultant must have demonstrated an extensive and comprehensive understanding of the type of services listed in this request for proposals. Understanding and previous experience are essential criteria in the qualifying process.
3. The Consultant's personnel and management to be utilized in providing these services shall be knowledgeable and experienced in their areas of expertise. The Town reserves the right to perform investigations as may be deemed necessary to insure that competent persons will be utilized in the performance of the contract.
4. The Consultant must be well-versed in the most recent federal assistance guidance policies and procedures regarding disaster debris.

Section 2 INSTRUCTIONS FOR THE PREPARATION AND DELIVERY OF THE PROPOSAL

Note: The Town of North Topsail Beach reserves the right to revise this schedule. Any such revisions will be formalized by the issuance of addenda to the RFP.

Section 4 PROPOSAL REQUIREMENTS AND FORMAT

- A. Overview:** In order to provide a comparable and equitable basis for Consultants to develop their proposals, and to allow for an equally balanced methodology for the Town to measure and evaluate the proposals, the Town wishes to employ a theoretical model

incident scenario. Consultants should base their response on a simulated category three wet hurricane strike. Debris estimates are provided in Attachment “A”. Assume there is one main debris management site located on North Topsail Beach. Consultants will utilize Town owned or leased land for truck certifications, monitoring of debris collection centers, and monitoring of debris management sites.

Consultants should use this information as the basis for developing their work plan, number and type of personnel, equipment, and set their fee structure and associated costs accordingly.

B. Specific Requirements and Formatting:

“TAB A” of Consultant’s proposal shall include the information requested in #'s 1-10 below:

1. **Letter of Transmittal:** Provide a letter of transmittal, no longer than two (2) pages, signed by an authorized representative of the Consultant, including a brief description of your firm’s location, organization structure, and philosophy. (This section is *not* included in the overall proposal 50-page count.)
2. **Individuals and Qualifications:** Identify and include qualifications of specific individuals to be assigned to the project team. Provide an organization chart of the project team, with name, title, role, and office location. Identify the Project Manager that will be designated for the Town of North Topsail Beach and a secondary Project Manager designated for the Town if the Project Manager is not available. Provide a professional resume for key team members (include names, relevant experience, roles on past projects, education, contact information, office location).
3. **Sub-Contractors:** List any sub-contractors that may be used on the team.
4. **Reserves:** Provide a description of available backup or reserve personnel, equipment resources and the location of their normal base of operation.
5. **Workload Projections:** Provide a chart or schedule for the next 12 months showing the known or anticipated workload projections and availability for all project team members.
6. **Litigation:** Please list any past and/or pending litigation or disputes relating to the work described herein that your firm has been involved in within the last five (5) years. The list shall include each project name, the nature of the litigation, and resolution.
7. **Financial Information:** Provide an official letter from the firm’s financial institution detailing the financial status of the firm. The letter shall include a contact name, address, phone number, and fax number. The failure to produce financial requirements may be grounds for dismissal of your offer. This is a non-negotiable item.

8. **Insurance Certificates:** Provide copy of Certificates of Insurance. The firm must be covered by a comprehensive general liability insurance policy of no less than one million dollars (\$1,000,000). Note: Policies other than Workers' Compensation shall be issued only by companies authorized to conduct business in the State of North Carolina, with active certificates of authority issued by the State of North Carolina, Department of Insurance.
9. **Current Contracts:** Consultants shall list all municipality, county, or state disaster service-related contracts in which they are currently obligated to fulfill during the initial term of this agreement (June, 2022 – June, 2027). The Consultant shall list the Project Manager designated for each contract.
10. **Experience on Similar Projects:** To demonstrate experience and success in conducting similar work on similar projects, the Consultant shall provide a tabular list showing the client name/disaster event/year/Consultant's PM for all projects they wish to be considered, and provide a minimum of three (3) references on projects similar in size, scope, and climate and using the proposed Project Manager or alternate Project Manager for this proposal. The reference information shall include the following:
 - i. Client name, address, phone, fax number and email address (confirm that the contract listed still works for the client);
 - ii. Description of all services provided
 - iii. Named disaster events worked;
 - iv. Performance period;
 - v. Total amount of contract; and
 - vi. Describe any significant or unique awards, acclaim, or accomplishments stemming from your work on previous, similar projects

References for clients where the work performed was similar in size and scope are preferred, and will be given more weight than those not of similar size and scope. The Town shall be sole determiner on whether a project is of similar size and scope.

The Town will only be evaluating three (3) references. If more than three are provided, Town will start at the beginning of the list and work down until the desired number of responses have been obtained. Town is not obligated to make more than a single attempt to contact a listed reference.

If less than the requested number of references are provided, OR the Town is unable to obtain the desired number of responses, this will be reflected in the scoring of your proposal.

The Town is not responsible for incorrect reference contact information.

“TAB B” of Consultant’s proposal shall include the Work Plan / Project Approach, and shall include the information requested in #'s 11-17 below:

For purposes of this proposal, the work plan / project approach on a category three (3) wet hurricane strike.

- 11. Provide the firm’s detailed strategy and approach to assisting North Topsail Beach in a Category 3 storm.
- 12. Identify tasks to be completed in each phase of the scenario and provide time frames, costs, and allocation of resources (i.e., man loading by task).
- 13. Provide a detailed critical path method schedule shall be included which identifies all major project tasks and durations. The schedule should include permitting and all major tasks from mobilization to reimbursement and be realistic, based on experience with similar types of projects.
- 14. Provide information regarding any proposed innovative concepts that may enhance the value and quality of the services to be performed.
- 15. Define the adequacy of your resources, including personnel, labor, equipment and supply resources, and other tools that may benefit the project.
- 16. Provide a Quality Assurance / Quality Control Plan to ensure compliance with eligibility requirements (FEMA, NRCS, FHWA, Applicable SLTT and Federal Regulations).
- 17. Provide a summary and syllabus for the training of monitors and any other temporary staff.

“TAB C” of Consultant’s proposal shall include the information requested in # 18 below:

- 18. **Fee Schedule:** Consultant’s Fee Schedule shall be completed using Table 1 of this RFP and shall be included under “Tab C” of Consultant’s proposal. The ability of the successful firm to maintain a sense of fiscal responsibility shall be favorably considered in the evaluation of proposals. All personnel involved in the project shall work at an established hourly rate. Sub-consultant’s fees shall not be marked up for this contract. Provide estimated rates for required project reimbursable expenses. Travel, lodging, rental charges, and mileage estimates should state the base rate for each item. In the contract, lodging, per diem, mileage rates shall not exceed those established by the U.S. federal government (General Services Administration) at the time the expenses are incurred.

Section 5 EVALUATION CRITERIA AND PROCESS

EVALUATION CRITERIA	
Category	Points
Qualifications of Consultant and Experience on Similar Projects	35
Work Plan and Project Approach	35
Fee Schedule	30
Total Points	100

A. Evaluation and Recommendation Committee: The Evaluation and Recommendation Committee (ERC) is comprised of Town staff.

B. Initial Evaluation of Responses: The ERC shall perform the initial review of all proposals submitted for initial qualifications certification. This process may include, but is not limited to, verification through the professional regulatory agency to ensure proper professional licensing, that the firm meets minimum required qualifications based on its capabilities, adequacy of personnel, past record of performance, and experience.

C. Contract Award: The Town shall award the contract to the highest ranked responsible and responsive firm after evaluations and interviews are completed. In the event that two (2) firms are equally ranked, the Town shall award the contract to the firm having the lowest proposed overall cost based on Table 1. If costs of the equally ranked firms are identical, contract award will be determined by a coin flip. The selected Consultant will be given written notification of being selected by the Town. The scope of services described in this RFP may be awarded in whole or in part in the resulting contract at the sole discretion of the Town. The Town will negotiate and execute a contract with the selected Consultant prior to beginning actual services. Should contract negotiations fail, the Town reserves the right to negotiate with next highest ranked Consultant. The contract will comply with applicable laws and standard provisions and at a minimum contain the following terms:

1. Detailed scope of services.
2. Schedule for providing services.

EXHIBIT C

Additional Contract Provisions Necessary for FEMA Reimbursement of Eligible Expenses

A. Remedies:

"Each of the parties hereto acknowledges and agrees that, in the event of any breach of any covenant or agreement contained in this Agreement by the other party, monetary damages may be inadequate with respect to any such breach and the non-breaching party may have no adequate remedy at law. It is accordingly agreed that each of the parties hereto shall be entitled, in addition to any other remedy to which they may be entitled at law or in equity, to seek injunctive relief and/or to compel specific performance to prevent breaches by the other party hereto of any covenant or agreement of such other party contained in this Agreement. Any specific right or remedy provided in this Agreement will not be exclusive but will be cumulative of all other rights and remedies."

B. Termination for Cause:

"Termination for Breach. If either Party shall at any time fail to meet any of its obligations hereunder and shall fail to correct such default within thirty (30) days after the non-breaching Party shall have given written notice to it thereof, the non-breaching Party shall be entitled to notify the other Party that it intends to terminate this Agreement unless such default is corrected, and may so terminate ten (10) days after the end of such thirty (30) day period if such default is continuing; provided that if such default by the breaching Party shall be a recurring default and the breaching Party does not reasonably satisfy the non-breaching Party that such defaults shall cease to occur, the non-breaching Party shall be entitled to terminate this Agreement upon the occurrence of such default and the other Party shall not be entitled to correct such default."

C. Equal Employment Opportunity:

"During the performance of this Agreement, the Contractor agrees as follows:

- (1) The Contractor will prohibit discrimination and harassment of any type without regard to race, color, religion, age, sex, national origin, disability status, genetics, protected veteran status, sexual orientation, gender identity, or expression, or any other characteristic protected by federal, state or local laws. Certified disadvantaged businesses should include a copy of their applicable certification for such designation with their proposal.

- (2) The Contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to race, color, religion, age, sex, national origin, disability status, genetics, protected veteran status, sexual orientation, gender identity, or expression, or any other characteristic protected by federal, state or local laws including employment,

EXHIBIT C

upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- (3) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, age, sex, national origin, disability status, genetics, protected veteran status, sexual orientation, gender identity, or expression, or any other characteristic protected by federal, state or local laws.
- (4) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

EXHIBIT C

- (8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, That in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the Contractor may request the United States to enter into such litigation to protect the interests of the United States."

D. Contract Work Hours and Safety Standards Act:

"Compliance with the Contract Work Hours and Safety Standards Act.

- (1) Overtime requirements. No Contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
- (2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the Contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.
- (3) Withholding for unpaid wages and liquidated damages. The (write in the name of the Federal agency or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime

EXHIBIT C

contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

- (4) Subcontracts. The Contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section."

E. Clean Air Act and the Federal Water Pollution Control Act:

"Clean Air Act

- (1) The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.
- (2) The Contractor agrees to report each violation to the (name of the state agency or local or Indian tribal government) and understands and agrees that the (name of the state agency or local or Indian tribal government) will, in turn, report each violation as required to assure notification to the (name of recipient), Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.
- (3) The Contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act

- (1) The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.
- (2) The Contractor agrees to report each violation to the (name of the state agency or local or Indian tribal government) and understands and agrees that the (name of the state agency or local or Indian tribal government) will, in turn, report each violation as required to assure notification to the (name of recipient), Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.
- (3) The Contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA."

EXHIBIT C

F. Debarment and Suspension:

"Suspension and Debarment

- (1) This Agreement is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the Contractor is required to verify that none of the Contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
- (2) The Contractor must comply with 2 C.F.R. pt. 180, subpart C and 2C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
- (3) This certification is a material representation of fact relied upon by (insert name of subrecipient). If it is later determined that the Contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to (name of state agency serving as recipient and name of subrecipient), the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
- (4) The bidder or proposer agrees to comply with the requirements of 2C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions."

G. Byrd Anti-Lobbying Amendment:

"Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended)

Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient."

H. Procurement of Recovered Materials:

"(1) In the performance of this Agreement, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired—

EXHIBIT C

- (i) Competitively within a timeframe providing for compliance with the Agreement performance schedule;
- (ii) Meeting Agreement performance requirements; or
- (iii) At a reasonable price.

(2) Information about this requirement, along with the list of EPA designate items, is available at EPA's Comprehensive Procurement Guidelines web site, <https://www.epa.gov/smm/comprehensiveprocurement-guideline-cpg-program>."

I. Access to Records:

"Access to Records. The following access to records requirements apply to this contract:

- (1) The Contractor agrees to provide (insert name of state agency or local or Indian tribal government), (insert name of recipient), the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions.
- (2) The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.
- (3) The Contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the Agreement."

J. DHS Seal, Logo, and Flags:

"The Contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval."

K. Compliance with Federal Law, Regulations, and Executive Orders:

"This is an acknowledgement that FEMA financial assistance will be used to fund the Agreement only. The Contractor will comply will all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives."

L. No Obligation by Federal Government:

"The Federal Government is not a party to this Agreement and is not subject to any obligations or liabilities to the Town, Contractor, or any other party pertaining to any matter resulting from the Agreement."

M. Program Fraud and False or Fraudulent Statements or Related Acts:

"The Contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Contractor's actions pertaining to this Agreement."
